COBB'S
MEAT PROCESSING

Policies & Procedures

- There will be a **$100.00 Reservation Fee for Beef, a $65.00 Reservation Fee for Pigs, a $120.00 Reservation fee for Buffalo, and $75.00 Reservation Fee for Lamb/ Goat.** This will need to be paid in advance to reserve harvest dates for the year of 2021 and the years that follow. (This will be your Harvest fee, so once animal is dropped off all you will be charged is for the processing fees.) This Harvest fee is non-refundable.
- **Animals must be dropped off after 12pm – 3pm the day before the scheduled harvest date.** (Unloading diagram can be found on our website if needed.) If you decide to drop off your animal the day of your harvest appointment it must be here no later than 6:30 am.
- If you want your animals to be under inspection to be sold to the public we will need to know far in advance due to limited inspection hours if not made aware there is a chance we will have to run it as NOT FOR SALE.
- If you are selling products to the public that you processed with us, we have two options as far as labeling; first we can type your first and last name on our standard Label. This will have our seal of approval with our establishment number or we can register you with the state and have us create you a custom label with your business name, logo, address, phone number, etc.. (This is a onetime fee of $150 to register with the state).
- Products must be picked up with-in 2 weeks of first initial call that product is ready or a storage fee may be added to your invoice.
- **Pick Up of products will be by APPOINTMENT ONLY.** This is to ensure we follow our procedures step by step including our quality check before product is ready to go out the door.

- If you cancel a harvest date within 14 days of the scheduled Harvest Date, You may be charged an additional $50.00 if unable to fill your spot on the schedule.
- <u>If your animal damages any of our pens, gates, or other equipment you may be charged for the damages.</u>
- We have the right to refuse any animal from our services, if your animal is aggressive and puts our employees at risk you will be contacted to pick the animal back up by the end of that day.
- Any animal that has noticeable health issues will be marked as suspect and the state inspector's will contact their veterinarian for further testing if necessary.
- Any organ's that have been denied for inspection must be disposed of. This is mandatory by the state of Texas.
- **All beef and bison over 30 months of age will be required to have the spinal column / backbone removed at butchering.** This means you will have to get boneless steaks on this section of the beef. If marked as over 30 months old and you want to dispute, you must be able to provide the inspector's with birth records.
